Subject: leaving again

Dear friends and family,

Because of an increasing number of "intel" reports about retaliation from outside forces on the Jos community over the recent election results and unrest, the SIM security team has asked the Evangel SIM missionaries to move to Miango for the next several days. Monday and Tuesday are Moslem holidays and it was advised we stay until after the holidays. We have not heard or seen any new "activity" in Jos but we believe it is a prudent precaution and will be leaving this afternoon.

Since email is not available in Miango, I am unsure when we will be able to give you an update. I plan to come in to Jos Thursday and Friday for a few hours if it is safe and will try to do some email then.

Thanks for your ongoing prayers for peace in Jos, a thwarting of any violence and safety for all who are traveling and away from their homes because of this crisis.

In Christ,
Bill Ardill
