Just a quick note to let you know my mother fell this morning and broke her left hip about 10:30 after returning from a walk with Dad around our cul-de-sac. An ambulance got her to a local hospital quickly and she was well cared for by the emergency room staff. A wonderful orthopedic surgeon evaluated her and did the surgery this afternoon about 5:00. She is doing well and we hope she can come home on Monday. We are taking turns staying with her and Dorothy has the shift tonight. Thanks for your prayers for her and us as we help her and Dad through this.

In His care,  
Bill Ardill
